

Message from MARY, MOTHER OF JOY
To JESUS AND MARY'S PRAYER GROUP and THE WORLD
April 13, 2003 through Chris Curtis, a visionary in Maryland, U.S.A.

My dear little children,
Praise be Jesus, my little ones,
On this third anniversary day I come among you in a special way. I come as your Mother of Joy to lead you to my most Immaculate Heart. My dear little children, you are receiving special graces today and I bless you. Do not forget to thank God for every grace He gives to you and every blessing that He gives to you.

My dear children, Praise be Jesus! My dear ones, I ask you tonight to renew yourselves to My Son. Renew yourselves every day by prayer, fasting. Renew yourselves by living the gospel. Renew yourselves to the love of my most Immaculate Heart. My dear children, I am giving to you peace, but you cannot know my motherly peace if you are not at peace with yourselves and with each other. Therefore, dear children, pray, pray, pray! Renew and dedicate yourselves anew to living the gospel messages. Renew and kindle yourselves by reliving my messages, by praying the Rosary every day, going to Confession and receiving Jesus in the Blessed Sacrament. He is there.

Little ones, you seek my intercession but yet you fail to go to where I am. I am present at every tabernacle of your Church. I am present before and during and after adoration of the Blessed Sacrament. I am there when Jesus is being given to you in the Mass, and when He is offered up to the Father. Therefore, my little children, pray before the tabernacle, before The Blessed Sacrament and before and during Mass. I am there at the Mass. I am there, present wherever my Son's body is and I am waiting with love to intercede for you there.

You ask me, when is my intercession the most powerful? It is before Our Lord, dear children. Seek the Lord and you will find Him dwelling within each sacred and consecrated Host. Believe in the power of God through my Son, and you shall be healed. I ask you to continue to pray for peace and to say your Rosaries and your novenas before Jesus, before Jesus' true presence.

No one loves you, dear children, the way I do. I am your Mother of Joy and I bring the Child Jesus with me so that He may bless you. *(I see the Child Jesus in her left arm. She says)*
Look at my hands. *(I see rays of light streaming from her hands. She says,)*

Seek these graces of peace, love, mercy by being loving children of God, and by prayer. You will not receive these graces unless you pray. Pray your Rosaries, and know for certain that I accept prayer from the heart. Little ones, do not recite words, but pray from your heart. Think about each word you are saying and everything that God has given to you, and rejoice. Little children, seek the comfort of God in prayer and you will find peace.

Of all the graces that I bless you with this day, there are no greater graces than that of one Mass. I take your petitions into my heart and I will present them to God our Father and Jesus, my Son, who is with me. Bless you, my little ones. Bless you in the Name of the Father, and of the Son, and of the Holy Spirit.

Please know as I make the Sign of the Cross again, I shall depart. I shall depart but I shall always be with you all in a very special way. Thank you for having responded to my call. Go in the peace of God. Ad Deum
