

Message from **MARY, MOTHER AND QUEEN OF THE DIVINE WILL**

For **THE WORLD**

September 13, 2000 through Chris Courtis, a visionary in Maryland, USA

My dear little children,

Praise be Jesus!

My dear children, today I wish to come among you and bless you and give to you Peace.

However, I also wish to deliver **another urgent message for the whole world and for the Americas.**

I wish to say first to the Americas that God has blessed you with abundant graces and has

given to you wealth beyond your imagining, and **yet you are very, very, very sinful.**

The new election that is coming up is one of great importance for me and my Son.

The new president will not lead this nation into peace as you are hoping, but will lead

it to **an era of cleansing and ultimately to war.**

Little children, please pay attention to the world around you **and realize that TRUE**

PEACE CAN ONLY COME FROM GOD.

My children, this nation is being made ready for **a total purification.**

You cannot stop this purification because **it is long overdue.**

The sins of the United States are grave, **primarily because people have abused the**

privileges of freedom.

I have stated that freedom is a **gift that must be cherished** and many people continue

to abuse this gift.

One of the worst sins in America is not just the sin of abortion, but **is the sin of losing**

your soul.

Many of my children in the United States are engaged in homosexuality, Satan

worship, and New Age, which are leading their souls down the wrong path.

My children must repent and turn back to God before God can let the Era of Peace

come to fulfillment.

As for the whole world, I say this, **Nations of the Earth, all of you,**

MUST REPENT

AND TURN BACK TO GOD!

My children, my children, please **pay close attention to my words and humble**

yourself before God who has blessed you with this Time of Grace.

If you continue to blame one another for your misfortunes, or by saying I am good and

my neighbor who lives near me is not, **then you are in error and you too risk the judgment of God.**

My message for the world is **stop blaming one another for your failures.**

Return in humility and love, and seek after the One True God.

There is no other way, my dear little children of this world.

THERE IS NO OTHER WAY BUT TO RETURN TO GOD!

Satan seeks to destroy you, and you are blind.

Many of my children walk as beggars and blind men seeking their fellow men to help

them, and my children are slow to respond.

It is only by the grace of God that one can help one another.

For those who are wandering around the world as beggars and blind men, I say to you

this,

Seek first after God, my Son, and you shall have the light to see.

Seek after God, my Son, and those who are lame shall stand strong and walk in their faith.

There is no more time.

THE CHOICE IS YOURS NOW - TO RETURN BACK TO GOD or to remain

stubborn and in sin.

Please, as my Son has told you, **REPENT! REPENT! REPENT and TURN BACK TO GOD!**

I am only your mother **who wishes to lead you to my Son and thus to God.**

The choice is yours.

I cannot make this choice for you.

YOU MUST MAKE THE CHOICE YOURSELF.

I wish to say also, that this is the time when the Church is celebrating my birth.

This whole month should be dedicated to my birth, not just one day.

Just like every day should be a day to relive the joys of Christmas in your heart,

So too are you to relive the joy of my birth.

Not just this month, my little children, but for all times.

Again, I your mother, dwell in your heart.

This time is a time when **I am dwelling in the hearts of many people, but I shall only**

be there for a very short time.

That is why I say, **live my Son's birth and live my joyous birth too, And I and the Most Holy Trinity shall reign in your heart.**

I love you **all**, and I bless you. I bless all that is here. (*Her hand is out.*

She's pointing

towards the altar.) I'm blessing all that is on the altar, everything by the altar,

everyone here, your Rosaries, your scapulars, every object and every

person I am

blessing. I do not miss one single thing. *(She's smiling.)*

I love you all and as you make the Sign of the Cross, I shall bless you and depart.

Thank you for responding to my call. *(She's blessing us.)*

Go in the Peace of God.
