

Message from JESUS OF MERCY
To THE WORLD

March 2, 2010, through Chris Courtis, a visionary in Maryland, U.S.A.

(There's a door of light. I see Jesus. He's stepping out of this door. The door is closing behind Him. He's all in light. He reminds me of St. Faustina's Jesus of Mercy.)

I am the Living Son of God. I am your Jesus of Mercy.

My dear beloved ones of My Father's earth,

I come today to again ask for your help and prayers. In this time of great tribulation and suffering, you must know again that I call humanity to My love and to My mercy. In times of suffering and in times of pain, I hear many of My people crying, "Oh, God, how could you do this? Oh Jesus, where were you when...?" And I say unto all My people throughout the world again, "Where were you?" How many times have I invited you to prayer and surrender to Me? How many times have I called My children to the Mass, and they did not come? How many times have I called My children to Eucharistic Adoration, and they did not come? How many times did I call them to devotion to My Sacred Heart and the devotion of the First Saturdays, and they did not come? How many times have I called you to pray the Divine Mercy Chaplet, and many did not respond?

I continue to call, and I will continue to call to you, but you must respond. You must take up the heavy burden of the Cross which I have left unfinished for all of you to take. You ask Me, "Why?" I say unto you, "Because you did not respond." I call, and I call, and I call. I give you graces and mercy and blessings, and humanity did not hear Me. I have sent My own mother. I have sent her as My own messenger for this sign and for these times. How many people have heard her? How many people truly repented of their lives and changed their lives? In the beginning, yes, there were more, but now apparitions and messages from Heaven seem as though it is ordinary to all men. No, it is not. Respond to My invitation of love and mercy.

You are causing the suffering that you are witnessing now through your lack of faith and your inability to surrender to Me. You will not surrender to Me because you do not trust Me. Without trust, there is no faith, and without faith there is nothing but chaos, anger, hatred, and resentment from one's neighbor and one's self.

I have said I have left a piece of My Cross unfinished, and I ask each one of you to pick up this piece and to carry it. You are to save souls as I have saved souls. Save souls through your prayers, through your sacrifices. Pray for the conversion of sinners. Offer your time. Offer your sacrifices. Every thing you do, every thing you give can be offered as a sacrifice.

I ask you to sanctify your sacrifices by offering them to the Blessed Virgin Mary, My mother, that she may sanctify them through her hands and present them to Me so that I may bless your sacrifices through her hands, and then that she may bestow graces upon the whole world. This is what you are called to do. You are to be intercessors for humanity. Your job is not light, my little ones. Your job is to pray for one another, for your country, for your world, for all the people throughout the world to respond to My love and mercy. The time is limited; therefore

much suffering will be asked of you. Know that every time you offer a simple prayer up to Me for the conversion of your sisters and brothers, and those who live in great sin, you are being charitable. If you cannot be charitable physically, I ask you to be charitable spiritually through your prayers. Offer your prayers as a sacrifice for the conversion of sinners, for your brothers and sisters who still live in great sin.

I talked much last time about you are the cause of your own destiny and the sufferings and sorrow that you are now witnessing. Again, My right hand points to justice, and My left hand points to YOU. It is YOUR choice. The world needs conversion. The more conversions there are, the more peace I will give to the world. Satan is not banished from your world yet, and you are living in great deceit. Therefore I ask you to wake up. Wake up from your sleep. Renounce what is preventing you from surrendering your heart to Me. The goal in your life should be surrendering your heart to Me. Trust Me! Trust Me! Trust Me for I am with you!

You may not always understand what I am doing or why I work the way I work. You may only see how I work through suffering souls and tragedies, but I am working for the greater good of humanity. Your prayers are so necessary, for so many are being deceived. Pray, pray, pray! Build your faith through personal prayer. Trust in Me and have confidence. Then you fill Me with joy, and then I am able to bless you with the mercy and graces that I desire to give to you, not only through My mother but through Me.

I bless you and all that is here, in the name of the Father, and of the Son which I am, and of the Holy Spirit which I continue to give to all in Baptism and those who open their hearts up to Me. Now as you make the Sign of the Cross again, I shall depart. I shall depart and return to My Father who has sent Me to be with you in an ever special way, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Now go in My peace. *(The door is bright. There's a bright light. He's stepping back into the door. The door's closing. He's gone.)*
