

Message from the INFANT JESUS OF PRAGUE

To THE WORLD

February 13, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

*(He's on a cloud. He's surrounded by light and He's on like a pillar, and He looks just exactly like I described, only He's changing. What I mean is, His skin tone is changing and His features are changing. He looks Asian now. Now they're changing again. He looks like, oh, He looks dark like a black baby. He's changing again. Now He looks Hispanic. Now He looks Indian. Now He looks very, very white. He says;)*

I am the Infant Jesus of Prague. I am honored in many countries under this title. I come to bless you. I come to ask you to continue carrying out this devotion even after this day. For those who honor Me, I will honor you. The more you honor Me, the more I shall bless you. The more you love Me, the more I will love you, and the more I will give to your heart whatever you seek.

You must understand that I am the Alpha and the Omega and before you receive any grace, you must first love Me with all your heart. Love Me, pray to Me, be little, and I will be little and merciful to you. My joy surpasses all, and your joy can be included in mine. If you are suffering, I am the remedy. If you need help, I am here. You do not need to turn very far to look for Me for I am hidden in the Blessed Sacrament, during exposition of the Blessed Sacrament, at Mass in the Holy Eucharist, and whenever you pray to Me.

I wish to draw you closer to My child-like, Sacred Heart. Those who humble themselves for love of Me and will love Me with the love of a child, unconditionally, will be embraced in My child-like heart. But you must be humble and love Me. I so earnestly wish to be loved by those whom I have created. I bless all children, all little children, all children. In My heart I bless them, *(There are rays of light being poured forth.)* not only the children here, but also throughout the whole world. If you wish to be embraced in My child-like heart, you must love Me and humble yourselves for love of Me.

There is nothing else I need to say, except I am with you. Call to Me. Put your trust in Me, the Infant Jesus of Prague and anything you ask Me, I will give you, and anything you ask the Father in My name, through the Infant of Prague, will He give you.

I bless you all with my child-like joy. Peace to you. Peace. *(He's blessing us,)* in the name of the Father, and of the Son, and of the Holy Spirit. Amen. Goodbye, my dear little children, and thank you for listening to Me tonight. Go in My peace. Ad Deum.
