

Message (1) from OUR LADY OF SORROWS

To THE WORLD

February 24, 2005 through Chris Courtis, a visionary in Maryland, U.S.A.

(Our Lady appeared as Our Lady of Sorrows of La Salette. She appeared with a crown of light on her head. Her hair was up and was also supported with white and red roses. Her face was significantly exposed. I could see her big, beautiful eyes, her small nose, her beautiful lips, and her eyes were big, blue, and filled with redness in them because she is crying. She wore a long whitish-pink dress that seemed to shimmer, and it was glowing. It had long sleeves and there was a chain necklace and in the middle was a cross made of gold. The chain was gold, and the image of Jesus on the Crucifix seemed to come to life and seemed to be staring and looking to and fro. On the right side there were a pair of pinchers and on the left side, there was a hammer, a old-fashioned, big wooden hammer, the base, I guess, made of metal. The dress itself was an old, 1800's kind of dress that they call a hoop dress, and it was separate with the seams running along the side. It was so long, thick, and big that her feet could not be seen. The cloud she was standing on could barely be seen because the dress was so big! Our Lady said:)

My dear children,

I come among you to remind you of my visits to La Salette, France in 1846. I came for the whole world to help lead you all to my Son. I warned you then of a great famine, drought, and starvation if people did not listen to me and return to God. Today, I warn you of the same dangers that exist today because of the sins in the world. I came as I do today under the title of Our Lady of Sorrows.

I implore you, little children, seek after your own conversion. This is the only thing that is lasting and true to God. In 1846, I gave a prophetic prophecy to one of the two shepherd children. Today, in your time, it is being fulfilled. I warned, little children, that Lucifer, together with a large number of demons will be unloosed from hell. I warned of evil books being abundant on earth, and now this has come to pass.

The New Age movement has swept across your nation and is spilling onto other countries and taking with it many innocent souls. Truly, spiritualism and atheism have come exactly as I have said. I warned, little children, that the pope will have much to suffer and that the governments of the world will have one and the same agenda, and that is to do away with God. Look at your nation which has become a heap of impurity and corruption where abortion is legal and gay marriages are celebrated as an act of unity.

Where disobedience is the norm, truly the true faith of God has been forgotten. If all of this has come to pass, then be very afraid of what will come because the last part of this prophecy is yet to be fulfilled when the righteous will suffer greatly, and Jesus, in His act of justice and mercy, will command his angels to put to death all those given over to sin, when the earth will become desert-like. Then, and only then, will there be peace and Jesus Christ glorified.

Does this not also sound very similar to the message I gave in Fatima in 1917? Yes, I spoke even in 1917, the very same thing that I speak to you of today. I told you in Fatima that the Holy Father will have much to suffer and various nations will be annihilated, but that in the end, my Immaculate Heart will triumph, and a certain period of peace will be given to the world. Please, little children, connect these two prophecies together and see your future. They go together as one whole and full prophecy.

Much of what will happen depends on your prayers and your willingness to amend your ways. The future is conditional and some events, not all, can be eliminated or avoided. The two prophecies could not have come to fulfillment until now because one, in 1917, I along with my Son Jesus blessed the world, and two, because I began to appear in 1981 as Our Lady, Queen of Peace. The 1900's had to be completed in order to fulfill what is to come today.

Truly I tell you this, 2000 was the beginning of the fulfillment of these prophecies, and 2005 will be the middle of these prophecies, and 2015 will be the complete fulfillment of these prophecies. However, if humanity amends their ways, my Son will grant pardon and peace. Remember, my dear children, my warnings. I said I can no longer hold back my Son's arm. It is so heavy and so pressing that I can no longer restrain it. (www.movingheartfoundation.com/wd0-m-mar8.htm)

Today, my little ones, this warning holds true for all of you living in this century. As in all prophecies, there is good news and bad. The good news is that the Era of Peace, which I announced to you in La Salette and Fatima is almost upon you. Pray, little children, pray, and amend your ways. Let my warnings be given to the whole world. Pray, pray, pray because I can no longer hold back my Son's hand. His divine justice is about to strike. Pray that you may be able to withstand this great purification which is happening now.

I am Our Lady of Sorrows, and I am praying for you, and I am forever at each one's side. Even though you do not see me, I am with you. I am your mother, and I love each and every one of you so very, very much. Peace be to all of you. I love you and I bless you, in the name of the Father, and of the Son, and of the Holy Spirit, Amen.

Now I shall depart. I shall depart, yet I will remain with you all when, and especially when, you all pray. As I depart, I shall bless you, all that is by the altar, under the altar, near the altar, everything you have with you, and all that is in this room, including you yourselves, I have blessed and will bless again, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for responding to my call. Go in the peace of God.
