

Message from OUR LADY, MOTHER OF MERCY
To THE WORLD

January 2, 2009, through Chris Courtis, a visionary in Maryland, U.S.A.

(It's Our Lady, Mother of Mercy and she has the Baby Jesus with her. She says,)

My dear little children, praised be Jesus!

My dear children, today I desire to call you to the refuge of my Immaculate Heart. Little children, seek refuge in my Immaculate Heart through prayer. Pray the Rosary for it is the quickest way to my heart. I love each child and all the world. I love every single one of my children throughout the world no matter what race or religion. They were given to me at the foot of the Cross. It was there that I became your Mother of Mercy, and there I desired to draw you to God's mercy coming to you through the Cross. It was there that my Immaculate Heart was opened by the sword of sorrow, thus giving away, also, more mercy from God.

My call is for all of humanity to love my Son and to draw closer to Him. Although I am the Mother of Mercy and I give graces to all those throughout the world of every race, nationality, and religion, I always point you to my Son for He is the one who gave me the great title of Mother of Mercy, and yet today, again, through His merciful love and through my Immaculate Heart, I desire to call you to me. God desires to present through my Immaculate Heart the title of Mother of Mercy. All those who come to me will receive God's mercy in abundance. All those who come to me under the title of Mother of Mercy will receive refuge in my Immaculate Heart during these troubled times and the time of God's mercy, graces, and justice.

Little ones, I am with you. Call on me under this title. I will intercede not only for mercy but for all the abundant graces that I can give to you. In order to accomplish this, little children, I desire you to pray without ceasing to the Holy Spirit to enlighten your mind, your heart, and soul to understand the great gifts and graces God is presenting to you today under the title of Mother of Mercy. Pray, pray, pray so that you may understand and comprehend this message and live it in your heart.

Also, today, my dear little children, I call you to surrender completely to me. All those who give their lives to me and surrender and trust me under the title of Mother of Mercy will be protected through this time of trial and tribulations. God is giving to you abundant graces this day. Listen and live the messages that I am giving you. Listen, please listen. I am the New Ark of God's mercy and love. All those who surrender themselves to me are wrapped under my mantle and are protected from Satan, but you must give your whole self to me, not in words but in your daily life. I am with you. Believe and pray to the Holy Spirit for the gift of greater faith. I will be your strength and your refuge. Only pray, little ones, pray.

I take your petitions into my Sorrowful and Merciful Immaculate Heart, and I, under the title of Mother of Mercy, will intercede to the Most Holy Trinity today, that He graces you with abundant graces and the answers to your prayers according to His designs and Will. Now, I shall bless you. I shall bless you, little children, and I shall depart. Know that I bless everything that is in this room, everything you have on, everything you have with you, everything that's on the altar, by the altar, under the altar, and everything in this room I will bless, in the name of the

Father, and of the Son, and of the Holy Spirit, Amen. Now as I shall depart, I shall bless you again, and I shall return to Him who has sent me to be here with you in an ever special way, in the name of the Father, and of the Son, and of the Holy Spirit, Amen. Thank you for responding to my call. Go, my dear little children, in the great peace and mercy of God Most High. Ad Deum. *(The light is slowly enveloping her. The light has enveloped her. There's just a light. It's moving up towards the ceiling. She's gone.)*
